BUILT FOR SERIOUS PERFORMANCE

Large Automatic L-Bar Sealers

Technical Specifications :

Model No.: **AS-2530AC** Auto L-Bar Sealer
Seal Area: **25" x 30" x 8" High**
Power Requirements: **220 VAC - 20 AMP**
Machine Footprint: **91"L"x 67"W"x 64H"**
Shipping Weight: **1200 LBS**

Model No.: **AS-3034AC** Auto L-Bar Sealer
Seal Area: **30" x 34" x 8" High**
Power Requirements: **220 VAC - 20 AMP**
Machine Footprint: **98"L"x 72"W"x 64H"**
Shipping Weight: **1300 LBS**

Clean & Dry Compressed Air Required on all Models: 80 -100 Lbs. @ 4 CFM

□ This simple Automatic L-Bar Sealer is the perfect step into Automation for your larger products. The Heavy Duty Sealing Blades and the Film Clamps are coated with a Hi-Tech durable Anti-Stick Coating to insure long life and strong Seals. **SEAL-A-TRON™** is proud to offer Anodized Aluminum Extrusion construction of the frame and "Powder Coating" on all Steel Parts, which is the most durable paint finish in the industry. The digital display allows absolute control of all machine functions. The Motorized Center-Seal Adjustment allows better control for the position of the seal.

□ The unique adjustment of the In-feed Assembly allows to package taller products by relieving "Tenting" and Stress on the front seal. The SEAL-HEAD moves Straight up & down with Linear Bearings guided by Rack & Pinion. This makes it easier to run taller packages. With **SEAL-A-TRON's™** innovative technology and Know-How", this machine has been elevated to the next level, by out performing most competitors. A variety of Sealing Inserts for many different films are available .
Call your local Distributor for a Demonstration "NOW".

□ Each application is different, and in many situations a special infeed conveyor is needed to properly space your product, and thus eliminate product jams . Some applications are calling for a flighted infeed conveyor, however in most cases a standard belted infeed conveyor will suffice. **SEAL-A-TRON™** offers standard duty slave conveyors, that are controlled by the Automatic Sealer.
