

# SEAL-A-TRON

Shrink Packaging Equipment

**We are proud to announce:**

Seal-A-Tron has made its first ALL Stainless Steel Auto L-Bar

This custom designed Automatic was specifically built for a Food Packaging Application.

The custom infeed belt has a quick release design for ease of cleaning and sanitizing.

We designed this unit out of 12 Gauge Tubular Stainless Steel, all SAE Stainless Steel Hardware.

The Seal-A-Tron AS 2024SS Auto L-Bar will meet and exceed your needs at a price that won't deplete the Budget!

Call Seal-A-Tron for further information: 503-652-5200 ext. 3.
